MORNING MEETING ACTION ITEM

TO: General Counsel

The Director noted the difficulty which an Agency employee is having with the Internal Revenue Service and suggested to Houston that it would be useful if OGC could render assistance in this and other such cases before employees are compelled to utilize expensive private legal assistance.

TO: Executive Director-Comptroller

We are looking into [] case. There is no problem in this as his Agency assignments may have an impact on his tax problem. All hands are being instructed to go as far as we properly can in legal assistance matters that come into the office.
